“ I worked with Mr. Misner at the Grand Blanc High School Guidance office during my senior year. The guidance office was my co-op assignment. I am so sad to learn about his passing, and also of his daughter’s passing. I remember he and I were trying to figure out the tricky spelling of the word “subpoena” once — he finally figured it out! He was such a nice person. God bless him.

“ Gil was a dear man and a true saint, following Christ all of his life. It was my privilege to know Gil and Lorrie as their pastor for 6-7 years at University Baptist in Clemson. Gil took Jackie and our family out on boat rides on Lake Keowee with a stop off an island for picnics. Gil loved to watch Clemson baseball games of which I was privileged to attend with him and several other UBC gentlemen. Gil was a straight-shooter...always honest, but always an encourager. Jackie and I are very sad to hear of Gil's passing, but rejoice that he is in Heaven where we look forward to seeing him again!

In Christ's Love,

Dave and Jackie Hine

“ Gil,

My best teacher and best friend:

How I wish you were still there, in this world.

May you rest in peace and be joyful in heaven.

Your thoughtful opinions, advice, care and warmth always shine in my life.

Miss you.

“ When I moved to Seneca, SC, in 2004, about two hours after I had arrived and while I was in the driveway unhooking my boat, a gentleman came by and welcomed me to the neighborhood. He offered his help that day, and his help on a continuing basis as I settled into my new home and town. He also invited me to his church.

That man was Gil Misner. The first person to welcome me to town, and the first person to invite me to church in Seneca. He became a friend, and we remained friends over the years. He was always kind, gentle, and helpful. And he loved the Lord. That is the kind of man he was!

I am sorry he has left us, a loss for his community and many friends, but I am glad to know he has been well received by his Lord in Heaven!
