“ Dear Joey,
Even though I didn't get to meet Aaron (or You), we talked on the phone sometimes for a long long time. He sounded like a wonderful man. I feel like I missed out on knowing him. I wish peace for you and the support of those close to you. May time and love heal you and may you find joy again soon. Love You, Pat (Jan's "bud")###imported-begin###Pat Holleman###imported-end###

“ To everyone whose lost someone they loved long before it was their time. you feel like the days you had were not enough when you said goodbye. And to all of the people with burdens and pains keeping you back from your life. You believe there is nothing and there is no one who can make it right. There is hope for the helpless rest for the weary and love for the broken heart. There is Grace and forgiveness mercy and healing that meets you wherever you are.
Cry out to Jesus

From the song "Cry out to Jesus" by Third Day.

“ *My buddy,*

*I was there when Mom and Dad brought you home so proudly from the hospital as a newborn. You became my baby and you always were. I don't have words to say how much I hurt that you have gone and I will not see you again until we meet in Heaven.
You were part of my heart and soul and I loved you with all my heart. You will remain there forever my sweetest brother and best friend. Be at peace now and I will see you soon and never let you go again. Love Cindy###imported-begin###cindy hardy###imported-end##*
