“ I might have known Abby as long as other people but from the time I knew her she had a major impact on how my experience at Walhalla. She was a great young woman and that was evident throughout high school. She always had a smile on her face and gave people a brightness that couldnt be matched. I'll never forget the abundance of laughs in AP history together. She embodied the spirit of a student athlete and was a role model for all of her friends and classmates. She will be surely missed and I know for a fact the good Lord has received her into heaven and is sitting upon his right hand waiting for all us to meet her. I can't make it to the visitation but I send my regards and condolences to the Carroll family. Its a time to rejoice the life she lived and continue to rejoice in the fact that we'll all see her again someday

“ *Prayers of comfort and peace to your family. Griffin and Rylee loved dancing with both of your daughters and Abby was a wonderful role model for Rylee at Winthrop. We are praying for all of you.*
