“ *Adam had the kindest demeanor, the sweetest smile, and the most gentle spirit. He was such a bright presence in our seventh grade English class. I had the privilege to teach him and to spend ten months of my life with him. Adam was different from the norm in a good way. He never angered, never had a bad attitude, never sulked, never disrespected me, never did anything wrong. He was such a pleasure. I am so lucky that he entered my life for a short time.* 💙
