“ *I came to know Adin and family when I returned to Valley Forge as Alumni Director in 83, he quickly became a close friend over the years Adin and his son helped in the rebuilding of a 67 mustang and a kit car for me. Ann was the most gracious lady she was a friend to me and my now wife. I did not know of Adin's passing until now- my sense of loss is great my last memory is when he told me he and Ann flew to Mew Jersey to pick up a new puppy. He will and is sorely missed” Forge Ahead” Adin my friend*
