“ *To the family of Agnes Morgan,
Mrs.Morgan was my first head nurse after I graduated from
Clemson University in 1977, and she introduced me to my first love
in nursing...which would be obstetrics,newborn nursery, and
gynecology! I worked for her for many, many years up until she
retired! She will always hold a very special place in my heart, and
will be missed by so,so many! God has a new angel to help care for
all of the babies and moms who have already gone to heaven! May
God Bless you and your precious family!###imported-begin##Debbie

“ It was an honor and pleasure to have cared for Agnes during her stay at the hospice house. She was always a loving and caring person to all she came in contact. It was also an honor to have worked with her many years ago at the hospital. She always approached her patients and families with patience and kindness. Her calm demeanor was a soothing balm to many. May the Lord grant you all peace during your time of grief. God bless always.##imported-begin##Jan##imported-end##
