“ *To all the family; We are so sorry for the loss of your Mom. May God comfort your hearts. We now live in your "home place" on Massey Lane in Seneca. I want you to know we loved Polly. She left a piece of herself here at the property with all the beauty that she and your Dad had built!! We talk of her often. Please feel free to come by and reminisce any time. We would love meeting the family and hearing stories of OUR home!*

“ Polly and I have been good friends since my family moved to Seneca in 1965. We have shared many good times, especially when Saint Mark's senior group made a trip to Nashville and to the Grand Ole Opry.....Tom was in a wheelchair and both he and Polly enjoyed this trip so much. After Tom was homebound I had the privilege of taking them a meal from the church every Wednesday night. Visiting Polly at Morningside every Monday morning, along with the "Flower Girls" from the Saint Mark Caring Ministry, was a privilege I enjoyed until I moved to Greenville two years ago. I have visited her about every 2 to 3 months since.

*I will miss her.*
