

Mr. Alan Dean Boggs

November 26, 1930 - February 4, 2021

Alan Dean Boggs, 90, husband of the late Betty Wiggins Boggs, passed away on Thursday, February 4, 2021, at North Greenville Hospital.

A native of Oconee County, Mr. Boggs was the son of the late Homer R. Boggs and Betty Kelly Boggs. He was a 1953 graduate of Clemson University and later worked as a county agent for Oconee County. Mr. Boggs was a member of the Walhalla Lions Club and Walhalla First Baptist Church, where he was a deacon, trustee, moderator and Sunday school teacher.

Dean loved the Lord, his family (being especially proud of his grandson Tyler), his church and his numerous friends, whose number is untold because Dean never met a stranger. He was a farmer who loved the land and watching things grow. He was forever planting or pruning something.

Despite traveling extensively after retirement, Dean was never happier than when he was at his farm at Keowee; whether riding his tractor or gator or simply having a picnic under the pecan tree. Dean loved a good 'mater sandwich.

Mr. Boggs is survived by son: James Alan Boggs (Cindy) of Greenville; grandson: Tyler Alan Boggs (Alyssa Laven); nieces: Betty Ann Boggs, Carol Lane, Marlene Petree and Jane Ratlif.

In addition to his wife and parents, Mr. Boggs was preceded in death by his brothers: Roy and Carl Boggs; and sister: Nell Carpenter.

Family and friends may come by Davenport Funeral Home, between 12:00 – 4:00 PM on Saturday, February 6, 2021, to pay their respects. A private graveside service will be held at a later date for the immediate family.

The family would like to thank the staff at The Springs Assisted Living in Simpsonville, U.S. Renal Care- Holly Tree and S.E. Transport for the compassionate care and service provided to Dean over the last few years.

In lieu of flowers memorials may be made to Walhalla First Baptist Church, P.O. Box 589, Walhalla, SC 29691, New Hope Baptist Church, P.O. Box 8212, Seneca, SC 29678 or to a charity of one's choice.

The family is at their respective homes.

“ *Dean was the ultimate Southern Gentleman. Even after Betty's death, he always wore a smile when meeting friends. Knowing him was a blessing for Lamar and me.*

Completely agree about Dean being a true Southern Gentleman. If you met Dean, you'd like him. He was honest, helpful, and generous. We worked together in the Bee House for the Oconee Beekeepers Association and he loved sharing his knowledge with the students that toured the Heritage Fair. It was a privilege to know him.

“ Dean and I worked together for over thirty years. First ,when Dean was an Extension Agent in Fairfield County and I was an Extension Agent in Union County. I remember on one occasion I got a call from Clemson to take a horse to 4-H Camp and was asked since I had a horse trailer if I would go by and pickup Dean and the horse he had for 4-H Camp. I did and we had the horses loaded and started out. What Clemson didn't tell me was about Dean's horse-- Mine was to go to Camp Long in Aiken and his horse was to go to Camp Bob Cooper in the low country. We hauled horses ALL day and used up our travel allotment for the MONTH ! But we got it done and laughed about the mixup for years !!

Dean got promoted to County Director in Oconee and I in Union County. When Dean retired I become County Director in Oconee County. He was a tremendous help to me in Oconee County and I asked his advice many times. We both served on the Farm Bureau Board and went to several National meetings together . Dean and Betty were special friends to my wife Martha and me. Dean gave my wife a Magnolia tree that is growing in our yard.

I did not know about his funeral last Saturday or we would have been there. I apologize. We will all miss Dean. He was a good man and a good friend.

Alan and Cindy we will be remembering you in our prayers.

“ I have fond memories of Dean going back to 1978 when I came from Wisconsin to interview for an Extension Entomologist position with Clemson University. During my stay arrangements were made for me to meet with two Long Creek apple producers and Dean. We were sitting in an open field on a hilltop in Long Creek talking about apple production. It was a beautiful, clear day and the mountains looked like you could almost reach out and touch them. At one point Dean said, "This is one of those days when it almost seems like you could toss your hat and hang it on one of those mountain peaks!" That has stayed with me ever since. I always enjoyed a trip to Oconee County and spending time with Dean. He was a good friend and mentor. Rest in Peace, Dean.

“ Dean Boggs was a farmer's "County Agent." He was always willing to help and to share information. I knew him when he worked in Oconee County, and he made a difference in so many farmers' lives. He was outgoing, friendly and personable. He will be missed by all those who worked with him in the Cooperative Extension Service and throughout the community in Oconee County. “ Dean Boggs and my husband Jerome were friends for many years. They were very much involved in the Lion's Club. Dean would come by every year and spray Jerome's puny little apple trees. He tried to make a farmer out of him, but it was not to be. After Jerome died, Dean used to tell me he sure did miss his "buddy", maybe they have reunited in heaven by now and are looking to see if anyone needs their help.

My sympathy to his family.

“ *First met Dean when he was the county agent in Fairfield County. He helped to prepare the field at the football stadium...He left to come to Oconee and I came here a couple of years later. He was as helpful here as he was in Fairfield. Helpful equals Dean in my mind because he always was. We attended the same church in Walhalla. A good man whom I shall miss. Prayers for his family. “ Dean was a dear friend. He and had property that joined each other and we gardened together for a number of years in the 70's and 80's. He taught me so much about gardening and fruit trees. He was a fantastic neighbor. I hated to move to a new location in 1989 and sold the vacant lot to Dean so he could keep on farming it! He and Betty were such wonderful neighbors. He was a fantastic grower of roses and his Tift Green lawn was impeccable. He helped me in every way a neighbor could. He was a great person and I miss him.
