“ Alan was my friend and “brother” fom the time I was 3 years old and he wad 5. Alan was a straight up guy and called everything for what it was.He always had my back and the back of anyone else he cared about, and he chose those people carefully. Anita, he chose you, and was so very proud of you and your marriage.
There are not enough adequate words to express the great guy Alan was. I can only say now that I was privileged to grow up with him and have him call me i his brother. I will cherish his memory forever. Anita, my sincerest prayers and condolences.
