“ Sue and Family,  
We are so sorry about the passing of Hank! We treasure our friendship that was created from the very first time we ever met Hank. He brought so much joy to us every time he would stop in at R&R Golf Carts. That sweet smile and his jokes could light up any room. May God Bless you all with Peace and Comfort during this time.

“ Sue and family,  
Pam and I are so sorry to hear of your loss. Hank and I rode all around the upstate (90 mph) looking for those carts to take the hard to find piece parts off at the “ROCK” (with the help of Sue’s coffee) and get the people back on the trails. He was a natural outstanding business man that just had a knack with people. One time at a tire shop he bought new tires and I’ll be darn if he didn’t sell his used tires while we were sitting there before they were even off the rims... he was unbelievable!! I’m am honored to have had his friendship and knowledge encased in my heart for my future trials and tribulations and maybe tire sales. Hank thanks!! Jack and Pam Cantrell
