“ Alex and I went to school together, and although I haven't seen him in quite some time, I was terribly saddened to hear the news of his passing. Some things that stand out in my memories of Alex are his kindness, his smile, and his ability to make you laugh. He could always make you smile if you were having a bad day. He was a generous person and a friend to all who were lucky enough to have known him. Thoughts, prayers, and condolences to his friends and family.##imported-begin##Cayce Franklin##imported-end##
