“ *I'm so so sorry Carol and Austin I have no words that will help but I do know that in time God will bring comfort and peace but he wants u to grieve for as long as u need. I know time doesn't and wnt heal the loss of a child I cant think of no other pain as losing a child! My grandmother lost two of her children 3 wks apart she said losing a dad, or a mother hurts but losing a child there is no comparison I think my grandmother went to her grave with that heavy heart of losing her children b4 her time but I do know my grandmother was a woman of God and I know she knew God knew exactly what he was doing and she trusted in the lord to guide her thru her heartache that nothing wud get her thru except God til he called her home. My prayers and thoughts are with u if there anything u need even if it's to run to the store I'm just a phone call away....I luv u guys!*
