“ *My memories of aunt Tootsie was her smile. Never will forget when the ladies got together, no matter what was going on, she was a joy to be with. I will go to church in the morning and pray for her. I am not one who checks my emails as often as I should as is evident with this one.*

*Love,

“ *My mother, Mary Snitko, was the oldest of that generation and my Aunt Tootsie was the youngest. There were seven children in that generation and it was always an event when any of them came to visit us sometimes bringing our grandmother with them. I have great memories of those visits which always meant good Polish food, stories and much laughter.*
