“ Mrs. Alice. She was a Mom or Grandma to every child who ever attended Camp Three Forks Trail. When I was a teenager, I appreciated her kind smile, her great meals and her quick wit. As an adult who returned to camp many times as a counselor, I realized how much she cared about others, cared about them being fed more than just great beef stew after a long day on the river. Mrs. Alice cared about young souls, old souls, all souls being fed the scripture and being led to Christ. It was an honor to have been allowed in her kitchen and it was a joy to have known her. I pray that God comforts all of you in her family at this time.##imported-begin##Chris Clark##imported-end##

“ Jean and I are keeping you and all of your family in our prayer. I knew your mom as a very kind lady. You only need to meet her once to feel her kindness. The love of Christ is strong in her and it will never stop shinning. You know that she is where she needs to be but that does not stop the pain, I know. But by the grace of God you know we will all be together again and this time for good. Love and Peace to you and your family.##imported-begin##Joe & Jean Marschall##imported-end##

“ Dear Family of Alice,

*My thoughts and prayers are with each of you. Alice was a wonderful person who deeply loved and cared for her family. Through the years, she worked so hard to help the students and teachers at Keowee. So often, her insight in situations regarding a child helped me to better understand what we needed to do to help the child. I truly appreciated and respected her.*

*With Sincere Sympathy,*

“ Dear Talley Family,  
Please accept my deepest sympathy in the loss of your Mother and Grandmother. Alice was a wonderful lady and a lifesaver to me.

*I was a first year teacher at Keowee School, in fact I was Charles 3rd grade teacher, when Alice took me under her wing and helped me so much. I couldn't have made it through that tough year without her. I often told her this when I would see her.*

God Bless you all.##imported-begin##Carolyn Keese##imported-end##
