“ *Darrell, the Lord and Alice had different plans and did not wait for  
me to return on Thursday after all(remember our conversation.) As  
we had said many times, I have no idea what this loss is like for you  
and your entire family. It was a pleasure taking care of Alice. I found  
her to be such a kind and dignified lady even during this horrific time  
for her. I will always think of her pretty blue cap she always wore on  
her head and how pretty she looked in it. Cancer may have  
destroyed many things, but not her inner and outer beauty. Much  
hugs to you and your family. You all are in my prayers. God bless  
you and may He give you that "peace that passeth all  
understanding." Love to you all, Jan.###imported-begin###JAN
