“ *It seems like only a few days ago when Clarence came back from breakfast and told me he saw all five of you eating breakfast together. I think he told me he talked a little to your mom that day. I remember when Helen and I were in Junior High and I visited your home and always had such a fun time. Her funeral service was one of the most beautiful ones I've ever been to. And, yes, I know Heaven is a little brighter because of our two wonderful Moms who went just about the same time.##imported-begin##Louise & Clarence Towe##imported-end##*
