“ *I have so many memories of Michelle and I together back in the day. I remember swimming in the pool at the Church St house. And then taking walks "to town" when you all moved across from the library. And running thru the cemetery because we were so scared. Pamela and Kimberly constantly following us around. And us constantly trying to get away from them. I remember being at the hospital when Ashton was born. And graduating high school...I remember that Michelle was the first person I saw as I crossed that stage. So many memories. You will be missed.*##imported-begin##Julie Davenport##imported-end##
