“ *Stanley and I used to live beside Alvin. Stanley took care of Alvin many times, taking him to the doctor and helping with his cows. One night they gave a cow a C-section at midnight! We used to help Alvin gather his hay and even occasionally fish in his pond. We checked on him and was there for him. He used to take my little girl to the store to buy her a drink and a candy bar. We are sorry to hear of his passing.*
