“ Jennifer, and family - I am so sorry for your loss, and my thoughts and prayers are with you all during this time. I pray God gives you strength, and comfort in the days, weeks, and months ahead, and that you will see and feel her with you in all that you do. Saying goodbye is never easy, and nothing anyone says can ease the pain you are feeling, or the anger at why this had to happen. Stay strong for each other, and lean on each other, because family is what you will need most as you navigate life without her here.
