“ Andy had a heart of gold. He attained the rank of Sergeant in Nuclear Security at ONS where we worked together and became great friends. His happiest moments were behind the wheel of a big rig 18-wheeler, hauling from the East coast to the West coast; from Canada to Mexico. He was loved by many, including my family and myself. Andy touched many lives and I will always be honored I was one of them. Drive on, my friend... "Kooba-Kooba!"

“ *Andy and my dad (Mike Harper) were absolute best friends. I grew up with Andy as an "uncle" and Frances as an "aunt." I can't help but picture the 3 of them all together again. To Valerie and Ray, you have my extreme sympathy. Years have separated us but I've never forgotten you. I love you.*
