“ *Delano and Juanita,*
Jenny and I would like to express our sincere sorrow for your loss. As you know, we are going thru this pain also with the loss of Jenny's Mother last week. As I told you at the funeral home tonight, it doesn't seem right to lose a child. It still seems almost eerie to me that Nene almost died in a traffic accident almost 12 years ago and was in the same hospital when my Dad died while she was there. Then Joan passing last week and now this? I have always heard and believe that God works in "mysterious" ways. But He is in control and we have to believe. If we can do anything, please let us know. Nothing but Love for you.
