“ *I'm so glad this tribute is still available! Anna was one of my best friends growing up. We had a million great times. Anna was always smiling. She was focused, even as a teenager. Her parents could trust her to do whatever she wanted because she was so level headed and smart. I miss you tremendously, Anna! Your daughter looks just like you! Love you and I will see you on the other side. Love, Kelli Kerr*

“ Anna was my husband's physical therapist for a year or more and she was a wonderful lady. She became part of our family and we will miss her terribly. She was one of the best therapists we had ever known and she was also very kind and compassionate with us. My thoughts and prayers are with you. My husband died in May but he thought so much of her, also.##imported-begin##Mrs. George B. Shealy##imported-end##

“ Words cannot truly describe our grief at learning of Anna's untimely death. I was her patient last fall and she was such a great therapist and knew how to motivate me to get through my recuperation. We also bonded on a personal basis and we considered her a friend. We will miss her terribly.##imported-begin##Jim & Sandy Olsen##imported-end##
