“ *Words cannot express my sadness today at the loss of one of the dearest people to my heart. Ann helped bring me up and helped my family in every way she possibly could. The last thing she said to me was "I love you too. Always remember that. I'll watch over you and your babies when I go Home." Ann, I know you are keeping your word tonight and I hope Heaven is all and more that you said it would be. Thank you for every thing you have ever done for me. I will forever be grateful. Rest in peace. I love you.*
