“ Carolyn and Pete:

I'm sorry that a previous commitment prevented me from attending the visitation and funeral, but please know that you and the entire family have been continually in my thoughts and prayers. Your mother was very special to me and I have many fond memories through the years to cherish. It is my prayer that your sweet memories and God's love will sustain you all during this sad time.

Love to all,

“ Carolyn and Pete -- our thoughts and prayers are with you during this difficult time. Anne was a very special person for me when I was a child. She was always kind and tried to include me in your family's life as much as possible. I always appreciated that. She was certainly a loving mother and I know that her loss will affect you deeply. God bless.

“ Carol my heart and prayers are with you and your family. I am truly blessed to have been able to care for your mom and spend time with all of you. May God comfort you in this trying time.

“Let not your hearts be troubled. Believe in God; believe also in me. In my Father’s house are many rooms. If it were not so, would I have told you that I go to prepare a place for you? And if I go and prepare a place for you, I will come again and will take you to myself, that where I am you may be also. And you know the way to where I am going.” John 14:1-4###imported-begin##Debbie##imported-end##
