“ *We are saddened to know about Annie Lou. We have been out of the loop for while since my Joe has been ill and not able to get out much. I just read this tonight...several days since her service. Joe and Annie always enjoyed visiting and chatting about their family memories. She was a sweet lady! Our sympathies to her devoted husband, Joe, and her family.*

“ *Annie Lou was a sweet and friendly lady. She and her husband were so faithful to our church for many years. I remember all the peanut brittle she stirred to raise money for different church projects. She made the only fruitcake we ever liked. She is loved and will be missed. We pray for comfort and peace for the family.*

“ My mama, Cheryl Duvall Kirby, used to call her Annie Oakley because she would ride the mountain on her 4-wheeler with her pistol strapped to her side. She wouldn't hesitate to draw it on a rattler either. I loved my Aunt Lou, she was always really nice to me.
