“ *Elaine has been a "sister" for a long time but due to both of us being married to military guys weren't always together; when we were it was just like the time before. We have shared many things and talks over the years, she will be missed by many people who loved her. She has been a great role model, loved her family, loved her church and was very devoted to them; putting their needs before her own. Heaven has certainly gained a new angel; soar high, Elaine; enjoy your new healthy, heavenly body. Naomi Padgett*
