“ Tony was a sweet baby and loved by many. Was around him a lot when he was little and when I stayed a short while with his mom. He was a mess as a young fellow. Could not help but love him because he was so sweet. He loved to tease his Mama Ramey when she was keeping him. I thought it was cute but Mama Ramey didn't think it was. Hahahahaha. He never forgot me through the years know matter how long it was since we seen each other. Rest Tony. Love you now and forever till we see each other again. Norma thank you for all the loving care you gave Tony. And to Tim, sorry for your lose and to the rest of his family. May God Bless each of you and give you peace.

Betty, Norma and all the friends of Tony, I am saddened to hear of your loss. But Heaven is made sweeter with Tony there. He was such a faithful man at North Walhalla Church of God. When Norman and I were attending there while we lived in Walhalla, we were blessed to have known Tony. I can still see him serving as usher. He would smile and speak to everyone as he passed the plates. Tony was loved by those who knew him and our lives were encouraged and blessed. My sympathy and prayers will be with you in the days and times to come.
