“ Tony was one of my most favorite people from WHS class of 85. We had many classes together and usually ended up sitting close to each other in every class where we would invariably get in trouble for cutting up and talking. He always had ready a smile and something offbeat to say to you each and every time you came in contact with him. I have thought about him many times since graduation and was so saddened to hear of his passing. He will be greatly missed by all who were fortunate enough to know him. I pray for you during this difficult time.###imported-begin##Jennifer Bogan###imported-end##

“ *I'm so sorry for your loss. Tony was a dear person and I was very proud to call him my friend. He was loyal and I always admired him for standing up for what he believed in. He was the kind of person that was the same every time you saw him and I loved him for that. I'm glad that the last place that I saw him was in church, bragging to me about his beautiful daughters. You've lost a son, a brother, a father and a friend... the Class of '85 has lost a dear classmate who remains in our hearts as one of our favorite friends and rebels! :-)
We Did It, Tony!! Rest in Peace.##imported-begin##Nancy Todd James##imported-end##*
