“ April was one of the kindest, most loving people I ever had the honor to know. Her friendship meant the world to me and she will never be forgotten by our family. Rest well my Sister, the world was a better place when you were here. Love and condolences to Mikey and Matt from Nancy-Jo and family.

“ April was one of a kind and my family will never forget her! We have so many special memories of doing Laundry Ministry together, talking, laughing, crying, teaching her to play (and LOSE!) Yatzee and messing around at church! The only things she loved more than whales and Wolves and anything furry, was her Family and Jesus! Some of the best time we had were just pickin' at each other- I'll miss those times soooo much. I will never be able to see a Unicorn and not think of her trying to convince me they're real! Rest in the arms of the Savior, April- we'll be up to join you soon.

“ *Love and Prayers to the Family. Mikey and Matt , she loved you fiercely and believed you could do anything. The only thing that rivaled her love for family was her love of science fiction. She brought a unique light to this world and will be missed.*

“ I’m so sorry for your loss. April and I were friends in school. I ran into her in Ingles about a month or so ago. We stopped for a brief moment to speak & then ended up in the cereal section talking about prices. LoL April was always a sweet person and friend. She will be truly missed by many. You are all in my thoughts & prayers.
