“ Arthur will be missed by everyone he touched in this life. His love for those less fortunate was displayed during his volunteer work at Tamassee DAR School. I am so sorry I was out of town and missed his visitation and funeral service. I send my love to Robin, Teresa, Marie, Carolyn, James, David and their families. Now Art is with his mother and Robert and they can care for each other again, as they did on this earth.##imported-begin##Linda Chastain##imported-end##

“ I want to express my deepest sympathy to each and every one of you. I haven't seen Arthur since we graduated but he called me last November and we talked like 3 hours. He was so happy to talk to someone from home. He was close friends with Elaine Dodgins Davis and we reconnected through her. She is devastated with the loss of Arthur. Please know that you are in our prayers and my God bless each of you.##imported-begin##Sheila Galbreath Thornburg##imported-end##
