“ *I read of Arthur's death in the El Campo newspaper. We were in school at the same time, and he graduated 2 years ahead of me. I remember how he could play the piano so well. Such a nice guy too. He came to the Baptist church one Sunday evening and joined our group in singing Christmas carols while he played the piano. I was absolutely amazed when he played Gloria in Excelsis Deo without any music and with such enthusiasm and skill.*

*I watched the video and am so glad to know he was successful and had an apparently joyous life and loving family. I know you will all miss him.*

*Sincerely,
