“ *Linda,Aunt Marion, I can't begin to tell you how sorry I am. But at least he's not in any more pain. Artie was a big part of my life in our younger days I still remember the day we took the little row boat out in that little pond at the end of the driveway and it sank and Kak was sure she was going to drown .Artie was her hero cause he carried her out of the water. It was only about 3ft deep..Again my prayers are with you and your family*

“ Aunt Linda and family, I'm so sorry about Uncle Art . He suffered and fought a very long and brave battle. He was a wonderful person with a heart of gold. I will always treasure all of the wonderful memories that I have of him. He is at peace and in a much better place. Aunt Linda, he couldn't have had any better care than what you gave him and he loved you very much. Thank you for taking such good care of him. I love you, Tammy

“ *My condolences to the family. May you find comfort in your memories. I remember Art having a "gusto for life." One of my fondest memories was taking waltz lessons "on roller skates" with Art at a skating rink above Benton that is now a supermarket. As teens, roller-skating was a fun activity!*

“ *My condolences to the family. May you find comfort in your memories. I particularly remember that Art knew how to "grab the gusto" in life. One of my fondest memories was taking waltz lessons "on roller skates" with Art at what is now a supermarket above Benton. When we were teens, roller-skating was a favorite activity. May he rest in peace. In sympathy, Joyce*
