“ *Uncle Kenneth, you were more than my Uncle, you were my hero!!! If it wasn't for you and aunt Sybil I would've never know the meaning of true, unconditional love!! You were always there for me and you never turned your back on me, even when I probably deserved it! You showed me everything except how to live without you! I will forever cherish all the love and memories that we shared since I was born! Thank you for everything!! I'd give anything to have you whoop my butt again!!!! I love you Uncle Kenneth! RIP guardian angel, I know your looking down on us all. I wish I could've seen your face when you were reunited with granny Ollie, papa Alfred, Jason, Jordan, aunt Vickie, and everyone else that we hold dear!! I know the amount of joy you felt seeing them again had to be incredible. Just please watch over all of us and I promise I'm gonna be there for aunt Sybil, Britt, and Morgan!! I love you so much!!*
