“ Every time I think of Autumn I remember her as a 2nd grader when she was in my GA's class. I can still see her in my mind, sitting at the table, smooth blonde hair, quietly listening. Her smile would light up the room and her giggle was contagious.

We were shocked and saddened when we learned of the accident. Our hearts ache for each of you. We're praying for your family during the days to come.

“ *I have no words for the pain you feel. But I do have a thought to share. I came to know Autumn about 3 years ago. She had troubles just like we all do, she was such a beautiful young woman. My heart breaks for myself and for you her family. Oh my, her face would up like a Christmas tree every time she would see Mia, her baby sister. Autumn had this contagious laugh. I would either laugh til I was crying or wet my pants. Leigh Ann, I am so sorry that you lost your daughter way too early. Parents should never have to bury their children so young. I loved her to death. I hope the Lord will help your family through this. If you need to talk you know where I live. Loads of love and prayers to each and everyone of the family. Trude Burton*
