“ *These lyrics say how I feel Nanny*

Everyday when school got out I'd get off the bus and I'd run down that old dirt road where you were waiting for me. On the front porch in that blue swing You'd be smiling and we would sing 'Amazing Grace' and 'Jesus Loves Me'.

You were like my mother you were my best friend You were everything I want to be and all the good inside of me there's never been. Never been another that loved me like you did My grandmother....My angel.

I miss you so much and it has only been a day.

“ *These lyrics say everything that I feel Nanny*

Everyday when school got out I'd get off the bus and I'd run down that old dirt road where you were waiting for me. On the front porch in that blue swing you'd be smiling and we would sing 'Amazing Grace' and 'Jesus Loves Me'. You were like my mother you were my best friend You were everything I want to be And all the good inside of me there's never been. There's never been another that loved me like you did.....My grandmother, my angel.

Even though I can't touch your face I feel you with me every day. I wish you could see all my dreams coming true. When I get lost I close my eyes and I feel you shining down so bright. I feel you shining down on me.

I already miss you so much and it has only been a day.
