“ There are so many memories that have come to my mind over the past few days since you have been gone. We miss you so much but I know that God has truly gained a wonderful, funny and loving Angel. You were a firecracker here on earth and now you're one in God's army. Fly high and tell Papa and my Grandma we love him and miss them too. I pray we all find peace and comfort during this difficult time. We love you always.

“ I don't have a single memory at my aunt Gail's house that doesn't include her laughter. She was one of a kind and loved with her whole heart. She was a beautiful person inside and out and will be missed every day.

“ My dear sissy. I love u so much. I know u had a heck of a homecoming. When we almost lost u at the same time as Daddy:you said he told u to go back. It wasn't time yet. You weren't finished. Dear God thanks for extra time and I know she is with u and daddy will help her, but I don't want her to be gone. We aren't finished. Give granny a plum and my love too. I love u so big sis. We are not the "Mobley Girls" anymore. That was always our affectionate and prideful name with u at the lead. Stay away from door knobs and keep ur angel clothes on. I don't think Jesus would want any mooning or streaking. Smile. Besides Terry isn't there to chase u with a robe. You were always so much fun and helped many. God Bless and I Love You.
