“ Jean and I have been friends for about 28 years. We've shared a lot of time together as traveling partners with our husbands. I'm honored to have known her and loved her as a dear friend. We've made many memories together. Some of my fondest ones are from the days of traveling with "the airport gang"! Many times of laughter. I'm going to miss Jean very much. Love and prayers to Clyde and all of the family.

“ I was teaching school in Walhalla in the late 70's and really thinking a lot of myself. One day at Clyde and Jean's home I said something of "self" importance 😊 and Jean in her no nonsense way (I'm sure the children and grandchildren know the way she could be no nonsense) said to me,..”and your not all that, Mike”.But never did I not feel so welcomed into their home, I always thought a lot of Jean and am sorry for the families loss.
