“ *I was so saddened to hear of Barbara's passing. She and I were very good friends during our school years at Seneca. She was a couple of grades below me, and when I graduated, we just lost contact with each other. I have lived in Greenville for the past 44 years, and in the last few years, I made contact with her, so we have shared birthday cards and christmas cards, and an occasional note.*

I wanted to come to see her at seneca Rehab., but due to my husband's health, I was not able to do so, but I know I will see her again someday.

I will always remember her and the good times we had growing up. I still have a note she wrote to me when I graduated, talking about our friendship through the years.

(I first met her when I was about 8 years old)

My sympathy to her granddaughter and the greats, and to all who loved her.

May God bless all of you real good.

Love
