“ *We have fond memories of going to Dallas in the late '70's to work @ a church with Barbara. I remember her saying at one service in Dallas, "I preach by the letter, I just open my mouth and just let 'er fly." That always stuck with me. Our thoughts and prayers are with you. This world is not our home, we're all just passing through.##imported-begin##Janet & Kenneth Wilson##imported-end##*
