“ *We are so sorry to hear about Pete. My memories of growing up with Pete, and having wonderful fish fry events with Bo and Eula are priceless. I always remember Pete as being someone who was genuinely interested in what was going on in your life. I also remember Pete as someone who loved to tell jokes, and he was always smiling and laughing. I can still remember his laugh. Hugs to all of your family. Sorrow comes to all...Perfect relief is not possible, except with time. You cannot now realize that you will ever feel better...and yet...You are sure to be happy again and this is what Pete wished for all his family as everyone knew how much he loved you all and how you loved and took care of Pete.
