“ *Ms. Belinda took such good care of both our students and her team. She was a big part of making many students time at Clemson better - even if they never got a chance to know her personally. I was fortunate to know her.*

“ *Belinda will surely be missed. We worked together at Clemson University and shared the Bryan Mall area . She supervised Lever and Manning Buildings and I Supervised Byrnes, and the low-rise Buildings. We had the best of times even on our worst day's, we always found a way to make it better. We helped each other out with so many things. If one didn't have the answer, the other one would or we would figure it out together. She loved her family dearly. She talked about them on a daily. Jennifer, you were her pride and joy, you blessed her with the two most precious grandkids, ( Samantha and Tyler) . Then came along great granddaughter, (Leigh). She would put ya'll before herself. She may be gone but not forgotten. Ya'll have a lifetime of memories ❤️ . Sending lot's of love and prayer to ya'!!! Rip Belinda (Partner) 🙏.*
