So sad to hear Ben has passed, I worked with him yrs ago at Walhalla/West Union Sangamo Electric factory. We rode our Harley's on many rides together. He and Laura both were super nice people. I'm sure they are really glad to finally be together once again. Rest in peace my ole friend.

Ben was a precious soul. Worked with him over 30 years. Never seen him mad or upset with anyone. We can learn from his humbleness.

Ben taught me so much when I started working in the QC lab. He was friendly and smart and so nice to everyone. Praying for peace and comfort for Andrea and all his family.
