“ There are many pleasant memories to choose from but I will always remember Don and Tim sitting on the front porch with his little dog, talking about the "Good Old Days" and both nodding in agreement. Their journey to Heaven is just the beginning of another great adventure they will share.##imported-begin##Keith and Karmel Duncan##imported-end##

“ Jean, Timmy and the Girls- My heart was broken yesterday when I heard the news. Tim meant the world to me and I ALWAYS loved to see him coming into the office to visit with me and MaryBeth. I always loved hearing his jokes and "tales of the past"... he will be forever missed but I am honored to have known him and more honored that he considered me his friend.##imported-begin##Candi Phillips##imported-end##
