“ *I was so saddened to hear of Mrs. Lee's passing. When I would bring my therapy dogs to visit at Foothills, she was my most enthusiastic dog lover. She couldn't always remember my name, but she knew I was the 'dog lady.' She was a sweet and gentle woman.*

My memories of time spent with Aunt Bertha are happy childhood remembrances. My prayers are for the easing of your grief as you are comforted in the knowledge that "absent from the body, present with the Lord" is true for her now.

“ Judy, Hardy, David, and Janet,
I have been thinking of you since hearing the news about Aunt Bertha. I am sure you are recalling many fond memories of your dear mother. One of my earliest memories is of my family visiting your family in Columbus, GA. All the cousins got to sleep on the floor on pallets and just had a grand time. Aunt Bertha had the sweetest voice, and I thought the world of her.
