“ *Terry and Family,*

I was so sorry to learn of Bertha Mae's passing not knowing at that time my own dear Mother's would be the next day.

I remember when I was a child how beautiful I thought your Mother and how kind she was to me.

It is a sad and difficult time we share, but we have the confidence in knowing that they are with our Lord and that makes life so much easier for us all.##imported-begin##Gloria Richey Prater##imported-end##

“ Miss Bertha was the sweetest lady, I was in cardiac rehab with her and found out she was Suzanne's mother. We enjoyed talking and found out we knew a lot of the same people. I know you are very blessed to have had a loving mother like Miss Bertha. May God be with each of you.##imported-begin##Pat Bennett##imported-end##

“ We know in our hearts that words alone will not take away the grief and the sorrow felt, by the passing of this most wonderful and gracious lady!We should all hope that God allows us to age with just a small amount of the dignity she possessed and the love she so freely gave. We are all better to have known her and called her friend! She will be sorely missed! Rod & Katherine Albertson & Kristy Lusk
