“ *I always loved Bessie. She was so much like Jessie Mae. I grew up knowing these precious ladies. My Mama, Amy Blackwell, and Jessie Mae worked together at what we called 'the cotton blossom ' which was Walhalla Garment. A lot of precious memories were made with them and Joan. I send my deepest sympathies to you all during this difficult time. You're in my thoughts and prayers. May God richly bless you all.*

“ *Brenda, Judy, Phyllis and Dawn, I am so sorry for the grief you girls are going through. Aunt Bessie was a precious person. I will never forget how good she was when I was in my teen and early married years. Even though I didn't get to see her very much over the last several years I always loved her. May God comfort you in the days ahead.*
