“ Kim, You and your family are in my thoughts and prayers. Through my association with Zion Quartet and Potters Hand, I have become to think of you and Ken and your kids as my family. Please know that I am here if I can be of any assistance to you. Knowing the illness your mom was going through, I feel she is in a better place and at peace but I also know that does not take away the pain of your loss. I love you and will keep you close in thought.##imported-begin##Frances Ward##imported-end##

“ I am painfully aware that words alone will not take away the grief and the sorrow we feel, when we lose those we love!My heart goes out to each of you! I knew Beth when she was a "teenage young lady." I worked closely with Beth for the time she was employed at Torrington, and we had a lot of conversations about "the good old days!" She was a wonderful lady, and she will be sorely missed!##imported-begin##Rod Albertson##imported-end##
