“ Terry, Babara and Jenna, Because you three are like family to us, as sorrow fills your hearts, our hearts goes out to all three of you. Even through our words can not begin to ease the loss of your Mother, Mother-In-Law, and Grandmother, we hope it helps, somehow, to know how much we care. May all the wonderful memories you all have of your Mother, Mother-In-Law and Grandmother, and all the good times you all spent with her, bring you peace and comfort. Wrap all your memories around your hearts and cherish them forever. Always remember, all the memories you all have are keepsakes from which you three will never part from. Terry, we know you are very sad, and this sorrowful time must still feel unreal. But we hope from our hearts, that your pain will decrease in the months ahead. And as the days and weeks pass, and as you return to life's routine, may you continue to feel comforted by the love and support of your family and friends. Your Mother is the newest angel in Heaven, and she is smiling down at all three of you. Take comfort in knowing that you three now have a Special Guardian Angel to watch over you all, Terry. Love you dear friends, and remember all three of you are in our thought and prayers during this difficult time. God bless each one of you.

*With Heartfelt condolences,
Bobby and Ann*

“ Dear Mr. Ellenburg and Family, We want you and your family to know you all are in our thoughts and prayers. Losing a wife and a mother is hard at any point. We have no great words of wisdom, the pain is terrible and it gets worse before it gets better. But God does comfort in the worse of time so rely on him, because he sustains at all times, even when you are certain it is too difficult to go forward. All the little things, the quiet moments, the smiles, the laughter, and all the precious moments and memories you all have will push away the pain and bring you comfort. Take each day slowly and find the happiness in all the little things you all will remember. Thinking of you all with Heartfelt Sympathy,
Bobby and Ann Hayes
