“ *I helped take care of Mrs.Mays for five years before she went to the nursing home. I really enjoyed my time with her. My favorite times were when we did arts and crafts. She loved making scrapbooks. I was her go to girl for that. We also decorated for every holiday or change of the season. She always did everything in such a classy way. I admired her drive and structure. I love her dearly. Gives me peace knowing she is in God's hands now. My condolences to the family. Mary if you see this it's Leigha. Please give me s call*

“ I first want to say sorry for the loss. I loved Mrs.Mays so much! I helped take care of her for 5 years before she moved. I wish I could have been there more after she moved. Some how I lost Mary's number. So Mary it's Leigha if you see this please give me a call. I will say some of my favorite memories with Mrs Mays was our arts and craft nights. We would do her scrapbooks. She was always so creative but in a classy way. Also holidays she loved decorating for everyone of them or even just the changing of a season. I loved her drive and how structured she was. She had a great passion for God. She was in her Bible every day. I really love her and she will be missed.
