“ *My mom (Louise Curtis) and Bettie worked together many years ago. We would take her to lunch or shopping. We went to see her at Lakeview and bring her snacks. I can still remember her smile and laugh. Like the song at her funeral, she's just seen Jesus.*

“ *Ms. Bettie was a faithful member of Westminster Baptist Church for many years. In fact, she had perfect attendance Sunday School pins that went way down her jacket. She has been missed since she hasn't been able to attend in quite a long time because she always sat near the front of the church in "her" pew. Ms. Bettie has been wanting to go to her eternal home for a long time, so I am sure she is having a wonderful time.*

“ I remember Bettie from Lakeview Assisted Living. Each time I visited my sister, I would always visit with Ms Bettie. My goal each time was to make her smile . Some times it was easy and sometimes it was not. I would always leave her with a little smile. Rest in Peace.

*We remember Bettie as a member of Westminster Baptist and visiting her later at Lakeview. One special memory of a birthday party when she was 80 she was so excited that she had a party and 80 cards to celebrate. She loved the Lord and she is certainly celebrating now. Charles and Connie Duke*
